Greater Works Outreach
301 College Park Dr.
Monroeville PA 15146

Dear Friends at Greater Works Outreach,

Thank you for your church's participation in this year's Women's Choice Network Baby Bottle Campaign. The grand total raised through coins, cash and checks in the baby bottles, as well as the online campaign amounted to \$2,266! This is your church's highest donation amount ever!

The funds generated from your campaign go directly toward helping abortion-vulnerable women to choose life. Women's Choice Network provides, at no cost to our clients, pregnancy testing, abortion pill reversal, ultrasounds, STD testing and treatments, medical consultations, Life Support programming to support mothers and their children, and Breathe: Post-abortion care. 100% of the funds raised through the Baby Bottle Campaign go directly to client programming.

Please know how grateful we are for your ongoing support and to know that you are partnering with us to build a culture of life in the Pittsburgh region. So far this year, Women's Choice Network has served 731 clients, which is almost a 15% increase over this same time last year. On average, we are able to save one baby per day, and since opening our doors in 1985, we can document 7,000 little lives that have been saved. Countless other lives have been changed through the gospel of Jesus Christ which is shared at our centers. We could not keep our doors open without your generous contributions.

With gratitude, we remember you in our prayers. Please continue to pray for our clients, that they will choose life, and for the staff at our centers, that they may safely carry out our mission of saving lives.

Please be sure to visit our website www.mypregnancycenter.org where we have a variety of online resources and more information about some of our other programs, including REALTalk, our video series which helps teens navigate healthy relationships, and Courageously Pro-Life, a six week Bible study curriculum that would be suitable for teens, small groups, and sermon preparation.

If we may help you in any way, please reach out to us.

Thank you again,

Amy Mee

Church Engagement Director, Women's Choice Network
